

ERIE COUNTY LEGISLATURE

HON. TED MORTON
LEGISLATOR

County Executive Mark Poloncarz
95 Franklin Street, 16th Floor
Buffalo, NY 14202

December 1, 2015

Executive Poloncarz,

I am writing in regards to a recent problem that has developed as part of the road work underway on Losson Road near Borden in Cheektowaga.

A number of our constituents had damage to their vehicles due a large pot hole they had to drive over (see <http://www.wkbw.com/news/pothole-damages-15-cars-on-erie-county-road>). This road has long been a problem for the residents of South Cheektowaga and this recent incident only exacerbates their concerns.

I urge you, on behalf of all of the constituents we serve, to expedite any claims for reimbursement from this incident. The residents of South Cheektowaga have suffered enough through the past few years waiting for the project to get underway and this is one thing we can do immediately to help improve their quality of life. Please call me at 858-8856 if I can be of assistance in the matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ted Morton", is written over a horizontal line.

Legislator Ted Morton
8th Legislative District
